FTC (MS, 6-8)	\$3,475	2	\$6,950.00
FLL (Elem, 4-5)	\$525	2	\$1,050.00
Jr.FLL (Elem, K-3)	\$325	5	\$1,625.00
Total Cost:			\$22,325.00

Dubbed a varsity Sport for the Mind™, FIRST Robotics combines the excitement of sport with the rigors of science and technology. In addition, team members learn valuable skills applicable in the real world:

- Communication
- Problem Solving
- Work Ethic
- Critical Thinking
- Designing & Prototyping
- Specific Skills such as: mechanical, electrical, programing, design, etc.

Fundraising Goal

\$8,000

Make checks out to:
Whitehall District Schools
 and note "Robotics" on the memo line.

Perks

If you donate... we will...

\$250 ...put your company name on our team T-Shirt.

\$500 ...prominently display company name & logo on our T-shirt AND our team banner (displayed in our "pit" at competitions).

\$1000+ ...prominently display a large company name & logo on our T-shirt and banner AND put your company sticker (if you have one available) on our robot.

Support our educational program through online donations.
